YOUR NAME AND TITLE was in El Paso on February 12-14, 2010, to attend the Texas Municipal League (TML) Elected Officials' Conference.

The conference is designed to provide elected city officials—mayors, councilmembers, and commissioners—an opportunity to voluntarily enhance their knowledge of city government, sharpen their leadership skills, and visit with elected officials from across Texas to learn more about how other cities cope with similar challenges.

During this event, conference attendees were offered a number of educational sessions regarding legal issues, budgeting, governance, personnel, open meetings, and more.

Elected officials from all over the state attended the educational event, which was sponsored by both TML and the Association of Mayors, Councilmembers and Commissioners. TML is a voluntary association of more than 1,100 Texas cities. The City of ***YOUR CITY NAME*** is a member of the Texas Municipal League.
