## What is YAC?

We are a group of high school teens on a mission to better our community. Our organization does anything from hosting events at the CAC to volunteer at public events.

## Volunteering on Valentine's Day

This past Valentine's Day we visited Cross Timbers Rehabilitation Center to celebrate the holiday with the seniors. We passed out hand-made cards and candy, and spent time talking with the residents. This is something we try to do annually, and we enjoy it each year. We hope to plan other activities with the Cross Timbers Center, since we really enjoy our time there.

## Breakfast with Santa

Breakfast with Santa is held at the beginning of December and gives the kids a chance to get into the holiday spirit. Children are able to eat a breakfast made by the Summit Club, color coloring pages, make ornaments, and of course talk and take pictures with Santa. YAC ran the event by helping with the crafts, entertaining the children as well as setting up and cleaning up the event.

## Grinch Scramble

The 1<sup>st</sup> annual Grinch Scramble is the last Christmas event held by the town each year. Children are able to participate in games, have their faces painted, and dance to music. The main event is the hunt through the field of candy canes in search of one of 3 Grinch dolls. Prizes such as bikes, gift cards, and toys were given to the winners. With the help of their supervisors, YAC planned and coordinated the entire event. With close to 1,000 attendees, we are eager to continue this tradition in the following years. Date: December 17, 2010.

## Dorothy's Dash

Dorothy's Dash is a benefit race founded after Dorothy Walker, a Town of Flower Mound Employee who lost her battle against Multiple Sclerosis. The money earned from the race supports the Lone Star Chapter of the Multiple Sclerosis Society. YAC helped this event by passing out water bottles, collecting tags, and giving moral support to the runners. Date: November 13, 2010
