

TML LEGISLATIVE UPDATE

February 17, 2023
Number 7

State Bills Seek Sweeping Preemption of Local Authority

Two recent bills filed seek to prevent cities and counties from adopting or enforcing local ordinances or orders related to any activity contained in six different state codes unless expressly allowed to do so by state law.

[H.B. 2127](#), filed by Rep. Dustin Burrows, and [S.B. 814](#), filed by Sen. Brandon Creighton, would give the state exclusive authority over any activity contained in the Agricultural Code, Finance Code, Insurance Code, Labor Code, Natural Resources Code, and Occupations Code. And unless state law expressly authorizes a city or county to act in these fields, any local ordinance or order that attempts to regulate any activity within these codes would be void and unenforceable by law.

Anyone impacted by a local ordinance or order in these fields may bring suit against a local government or local official. If a court finds that the challenged ordinance or order is not expressly authorized by law, the plaintiff would be entitled to declaratory and injunctive relief, costs, and attorney's fees. Governmental, official, or qualified immunity would not apply to any such claim.

While we are still analyzing the full impact of these bills, the consequences are far-reaching. If passed, then a city or county may no longer be able to adopt or enforce ordinances or orders designed to protect its residents from:

- Drought conditions (Agricultural Code)
- Overgrown lots (Agricultural Code)
- Insects and bees (Agricultural Code)
- Raising animals (Agricultural Code)
- Predatory lending businesses (Finance Code)
- Pawn shops (Finance Code)
- Injuries at special events (Insurance Code)
- Employment discrimination (Labor Code)
- Door-to-door sales (Occupations Code)
- Uncontrolled burns (Natural Resources Code)
- Unsafe waste storage (Natural Resources Code)
- Heavy trucks (Natural Resources Code)
- Oil, gas, and propane pipelines (Natural Resources Code)
- Code)
- Unsafe outdoor festivals and sporting events (Occupations Code)

TML encourages city officials to contact your state representatives and senators to discuss how these bills would impact your communities.

Deadline for Cities to Challenge the Texas Broadband Map Is Rapidly Approaching

The deadline for political subdivisions to challenge funding eligibility determinations on the [Texas Broadband Map](#) is **February 27, 2023**.

Under [Chapter 490I of the Government Code](#), a political subdivision or broadband service provider may petition the Texas Broadband Office (BDO) to reclassify a designated area on the map as eligible or ineligible for broadband funding.

To challenge an area designated as ineligible for funding, a challenger must provide evidence that: (1) broadband providers *do not* offer broadband services that meet the 25/3 Mbps threshold to consumers within ten business days to at least 80 percent of addresses in the specified area; or (2) the specified area *has not* been awarded federal funding for the deployment of broadband services.

You can find more information about the Texas Broadband Map challenge process [here](#).

U.S. Treasury to Reopen SLFRF Help Center

The United States Department of Treasury announced this week that help centers for the State and Local Fiscal Recovery Funds (SLFRF) program will reopen on February 21, 2023.

Treasury encourages recipients to use the [Self-Service Resources](#) as a first step for all questions and inquiries. Cities may reach out to the help center by email at SLFRF@treasury.gov or by phone at (844) 529-9527. Non-entitlement units of local government (NEUs) were required to submit a Project and Expenditure Report on April 30, 2022, and are required to file quarterly or annually thereafter, based on their total allocation.

Get Involved During the Legislative Session: Grassroots Involvement Program

During the 88th Legislative Session, Texas cities are facing many challenges and opportunities. TML will need to mobilize our membership at key points during session. The Grassroots Involvement Program (GRIP) is one way to do so. Our GRIP survey focuses on a variety of items including your areas of expertise and involvement with other professional organizations. Most importantly, the GRIP survey asks how well you know various state legislators and if you are willing to communicate with those legislators during the session. TML's grassroots approach is crucial to our efforts.

If you have a relationship with your legislator(s) or want to be more involved during session, please take the time to complete the [GRIP survey](#). Past efforts have proven that such participation is a highly effective tool.

We ask that you complete the survey as soon as possible.

Federal Infrastructure Bill Update

In November 2021, the federal Infrastructure Investment and Jobs Act (IIJA) was signed into law. The IIJA is altogether a \$1.2 trillion bill that will invest in the nation's core infrastructure priorities including roads, bridges, rail, transit, airports, ports, energy transmission, water systems, and broadband.

The League will monitor state and federal agencies and work with the National League of Cities (NLC) to access the latest information relating to the IIJA. We will provide periodic updates in the Legislative Update on resources for Texas cities on how to access IIJA funding for local infrastructure projects.

U.S. Department of Transportation (DOT)

On January 27, 2023, the DOT [announced](#) the availability of over \$1.6 billion in funding in FY 2023 through the Low or No Emission Vehicle and Bus and Bus Facilities Program to support state and local efforts to buy or modernize its bus fleets and improve bus facilities. The [Low or No Emission Vehicle program](#) will provide funding to purchase or lease zero-emission and low-emission transit buses, charging equipment, and support facilities. [The Bus and Bus Facilities program](#) will fund projects to build and rehabilitate buses, vans, and bus-related facilities.

DOT will be holding two upcoming webinars for applicants:

For All Applicants

February 16, 2023, from 12:00 – 1:30 pm CST.

Rural and Tribal Applicants

February 28, 2023, from 1:00 – 2:30 pm CST

Applications for both programs must be submitted by **10:59 PM CST on April 13, 2023**.

You can find more information about program eligibility, eligible activities, matching requirements, and applications [here](#).

REMINDERS FOR UPCOMING DEADLINES

Applications for the DOT Rebuilding American Infrastructure with Sustainability and Equity (RAISE) Grant Program are due by **10:59 PM CST on February 28, 2023**. RAISE grants provide funding for surface transportation infrastructure projects to improve safety, environmental sustainability, quality of life, mobility and community connectivity, economic competitiveness, and opportunity, including tourism, state of good repair, partnership and collaboration, and innovation.

For more information about the RAISE program, please see DOT's RAISE program [application instructions](#) and [webinar series](#).

(Companion bill is **H.B. 2127** by **Burrows**.)

S.B. 829 (Kolkhorst) – Cottage Food: would, among other things: (1) add to the definition of “cottage food production operation” a nonprofit organization that produces at the individual’s home or the home of an individual who is a director or officer of the nonprofit organization, as applicable; (2) provide that to be considered a cottage food production operation, an individual operating out of the individual’s home would need to: (a) have an annual gross income of \$100,000 or less from the sale of certain foods; (b) sell the cottage foods directly to consumers or to a cottage food vendor; and (c) deliver products to the consumer or cottage food vendor at the point of sale or another location designated by the consumer or cottage food vendor; (3) provide that a local government authority, including a local health department, may not require a cottage food production operation to obtain any type of license or permit or pay any fee to sell cottage food directly to a consumer or cottage food vendor; (4) provide that a local government authority, including a local health department, may not employ or continue to employ a person who knowingly requires or attempts to require a cottage food production operation to obtain a license or permit in violation of (3), above; (5) require the label on cottage food to include: (a) the city and zip code instead of the address; and (b) at least one of the following for the cottage food production operation: (i) the phone number; (ii) the email address; or (iii) the mailing address; (6) provide that a cottage food production operation may only sell food to a cottage food vendor at wholesale; (7) provide that the operator of a cottage food production operation that sells a food at the individual’s home is not required to include the information in (5)(b), above, before the operator accepts payment for the food but must provide it after accepting payment for the food; (8) provide that a cottage food vendor may sell food directly to consumers at a farmers’ market, farm stand, food service establishment, or retail food store; and (9) provide that a cottage food vendor who sells food in (8), above, must display in a prominent place near the location where the food is offered for sale a sign with the following disclosure: “THIS PRODUCT WAS PRODUCED IN A PRIVATE RESIDENCE AND IS NOT SUBJECT TO GOVERNMENTAL LICENSING OR INSPECTION. THIS PRODUCT MAY CONTAIN ALLERGENS.”

Personnel

H.B. 1999 (Julie Johnson) – Sexual Harassment: would provide that: (1) the protections against retaliation and discrimination in employment apply to a person who engages in the following acts

in relation to a discriminatory practice based on sexual harassment: (a) opposes a discriminatory practice; (b) makes or files a charge; (c) files a complaint; or (d) testifies, assists, or participates in any manner in an investigation, proceeding, or hearing; (2) the definition of sexual harassment in employment includes an unwelcome sexual advance, a request for a sexual favor, or any other verbal or physical conduct of a sexual nature if the advance, request, or conduct has the purpose or effect of creating an intimidating, hostile, abusive or offensive working environment; (3) a person may bring a civil action for damages or other relief arising from an unlawful employment practice based on sexual harassment regardless of whether: (a) the person has filed a complaint with the Texas Workforce Commission (Commission) based on the grievance; or (b) if the person has filed a complaint with the Commission based on the grievance, the complaint is still pending or the person has not received a notice of the right to file a civil action; (4) a civil action arising from an unlawful employment practice based on sexual harassment filed without filing a complaint under (3), above, may not be brought later than the second anniversary of the date the conduct constituting an unlawful employment practice based on sexual harassment occurred; (5) the monetary caps placed on compensatory damages awarded for future pecuniary losses, emotional pain, suffering, inconvenience, mental anguish, loss of enjoyment of life, and other nonpecuniary losses and the amount of punitive damages that apply to damages arising from an unlawful employment action do not apply to an unlawful employment action based on sexual harassment; and (6) a civil action for damages arising from an unlawful employment practice based on sexual harassment is subject to uncapped compensatory damages and exemplary damages that may not exceed an amount equal to the greater of: (a) two times the amount of economic damage plus an amount equal to any noneconomic damages found by the jury, not to exceed \$750,000; or (b) \$200,000.

H.B. 2034 (Campos) – Mental Health Leave: would provide that: (1) each employer, including a city, shall develop and adopt a policy allowing the use of mental health leave by the employer's fire fighters who experience a traumatic event in the scope of performing their duties as fire fighters for the employer; (2) the mental health leave policy adopted under (1), above, must: (a) provide clear and objective guidelines establishing the circumstances under which a fire fighter is granted mental health leave and may use mental health leave; (b) entitle a fire fighter to mental health leave without a deduction in salary or other compensation; (c) enumerate the number of mental health leave days available to a fire fighter; and (d) detail the level of anonymity for a fire fighter who takes mental health leave; (3) the mental health leave policy adopted (1), above, may provide a list of mental health services available to fire fighters in the area where the employer is located; (4) each employer shall ensure that a mental health professional or peer support advisor performs an annual mental health evaluation of each of the employer's peace officers and fire fighters as part of the peace officer's or fire fighter's performance review; and (5) each employer shall provide a peace officer or fire fighter who experiences a traumatic event in the scope of performing their duties as a peace officer or fire fighter for the employer: (a) a mental health evaluation performed by a mental health professional or peer support advisor; and (b) an opportunity to receive mental health counseling.

S.B. 799 (Springer) – Public Safety Employee Benefits: would, among other things, provide that:

1. a county or city shall provide to a firefighter, police officer, or emergency medical services personnel a leave of absence for an illness or injury related to the person's line of duty;
2. the line of duty leave shall be with full pay for a period commensurate with the nature of the line of duty illness or injury, and, if necessary, the county or city shall continue the leave for at least one year;
3. at the end of the one-year period under Number 2, above, the county's or city's governing body may extend the leave of absence at full or reduced pay;
4. if the firefighter's, police officer's, or emergency medical services personnel's leave is not extended or the person's salary is reduced below 60 percent of the person's regular monthly salary and the person is a member of a retirement system with disability retirement benefits, the person is considered eligible to receive the disability retirement benefits until able to return to duty;
5. if the firefighter, police officer, or emergency medical services personnel is not a member of a retirement system with disability retirement benefits and is temporarily disabled by a line of duty injury or illness and if the one-year period and any extensions granted by the governing body have expired, the person may use accumulated sick leave, vacation time, and other accrued benefits before the person is placed on temporary leave;
6. if the one-year period and any extensions granted by the governing body have expired, the firefighter, police officer, or emergency medical services personnel is placed on temporary leave;
7. a firefighter, police officer, or emergency medical services personnel who is temporarily disabled by an injury or illness that is not related to the person's line of duty may: (a) use accumulated sick leave, vacation time, and other accrued benefits before the person is placed on temporary leave; or (b) have another firefighter, police officer, or emergency medical services personnel volunteer to do the person's work while the person is temporarily disabled by the injury or illness;
8. if able, a firefighter, police officer, or emergency medical services personnel may return to light duty while recovering from a temporary disability and, if medically necessary, the light duty assignment may continue for at least one year;
9. after recovery from a temporary disability, a firefighter, police officer, or emergency medical services personnel shall be reinstated at the same rank and with the same seniority the person had before going on temporary leave and another firefighter, police officer, or emergency medical services personnel may voluntarily do the work of an injured firefighter, police officer, or emergency medical services personnel until the person returns to duty;

10. a collective bargaining, meet and confer, or other similar agreement that provides a benefit for an ill or injured employee must provide a benefit that, at a minimum, complies with Numbers 1-9, above;
11. for purposes of workers' compensation, lifetime income benefits shall be paid until the death of the employee for: (a) physically traumatic injury to the brain resulting in a permanent major neurocognitive disorder or a psychotic disorder; (b) third degree burns that cover at least 40 percent of the body and require grafting, or third-degree burns covering the majority of: (i) both hands; (ii) both feet; (iii) one hand and one foot; or (iv) one hand or foot and the face; or (c) serious bodily injury sustained by the employee in the course and scope of the employee's employment or volunteer service as a first responder that permanently prevents the employee from performing any gainful work;
12. a person is eligible for critical illness benefits if the person: (a) retired from employment as a firefighter or peace officer on or after January 1, 2024; and (b) not later than the fifth anniversary of the date of the person's retirement: (i) is diagnosed with cancer that originates at the stomach, colon, rectum, skin, prostate, testis, or brain, non-Hodgkin's lymphoma, multiple myeloma, malignant melanoma, and renal cell carcinoma; or (ii) suffers an acute myocardial infarction or stroke;
13. the amount of critical illness benefits to which a person is entitled under Number 12, above, is an amount equal to the greater of: (a) the person's annual salary in the final year of the person's employment as a firefighter or peace officer; or (b) \$150,000;
14. beginning January 1 of each 10-year period beginning January 1, 2034, the commissioner of insurance shall adjust the amount of critical illness benefits to which a person may be entitled under Number 13(b), above, for a retirement occurring on or after that date, by the percentage change, if any, in the Consumer Price Index for all urban consumers published by the United States Bureau of Labor Statistics of the United States Department of Labor for the preceding 10-year period;
15. an insurance carrier shall pay required critical illness benefits to a person in a lump sum;
16. disease presumption does not apply if the disease or illness for which benefits or compensation is sought is known to be caused by the use of tobacco and: (a) the firefighter, peace officer, or emergency medical technician has used a tobacco product an average of four or more times per week during any six-month period in the five years preceding the diagnosis of the disease or illness; or (b) the firefighter's, peace officer's or emergency medical technician's spouse has, during the marriage, used a tobacco product that is consumed through smoking an average of four or more times per week during any six-month period in the five years preceding the diagnosis of the disease or illness; and
17. a firefighter, peace officer, or emergency medical technician who suffers an acute myocardial infarction or stroke resulting in disability or death is presumed to have

suffered the disability or death during the course and scope of employment as a firefighter, peace officer, or emergency medical technician if: (a) while on duty, the firefighter, peace officer, or emergency medical technician: (i) was engaged in a situation that involved stressful or strenuous physical activity involving fire suppression, rescue, hazardous material response, emergency medical services, or other emergency response activity; or (ii) participated in a training exercise that involved stressful or strenuous physical activity; and (b) the acute myocardial infarction or stroke occurred not later than 24 hours after the end of a shift in which the firefighter, peace officer, or emergency medical technician was engaging in the activity described under Number 17(a), above.

Purchasing

H.B. 2007 (Martinez) – Certificate of Merit: would provide that a third-party plaintiff that is a design-builder is not required to file a certificate of merit in connection with filing a third-party claim or cross-claim against a licensed or registered professional if the action or arbitration proceeding arises out of a design-build project in which a governmental entity contracts with a single entity to provide both design and construction services for the construction, expansion, extension rehabilitation, alteration, or repair of a facility, a building or associated structure, a civil works project, or a highway project.

H.J.R. 106 (Schaefer) – Freedom from Autonomous Vehicles: would provide that a person has the right to travel in a vehicle using human decision-making to operate the vehicle and that any regulation abridging this right is void.

S.B. 848 (Blanco) – Transportation Projects: would expand the definition of “transportation project” to include an urban green space or aesthetic enhancement located above, adjacent to, or connected to an interstate highway, which may include: (1) recreational, bicycle, and pedestrian facilities; (2) an intermodal hub; (3) parking areas; and (4) components that will benefit users of transit, pedestrian, and other transportation modes, and promote economic development in adjacent areas. (Companion bill is **H.B. 1379** by Ortega.)

Utilities and Environment

H.B. 2211 (Landgraf) – Greenhouse Gases: would: (1) provide that to the extent not preempted by federal law, the state has exclusive jurisdiction over the regulation of greenhouse gas emissions in Texas; and (2) preempt a city or other political subdivision from enacting or enforcing an ordinance or other measure that directly or indirectly regulates greenhouse gas emissions. (Companion bill is **S.B. 784** by Birdwell.)

H.B. 2214 (Landgraf) – Emissions Reduction Plan: would adjust the percentages for which money in the Texas Emissions Reduction Plan Fund and Account can be spent as follows: (1) increase the percentage to eight percent for use for the new technology implementation grant program; (2) increase the percentage to 7.5 percent for use for the Texas clean fleet program; (3) decrease the percentage to five percent for use for the Texas natural gas vehicle grant program; and (4) decrease the percentage to 2.5 percent for use for the light-duty motor vehicle purchase or lease incentive program.

H.B. 2263 (Darby) – Natural Gas Energy Conservation Programs: would, among other things: (1) provide that a local distribution company may offer to customers and prospective customers and provide to customers an energy conservation program; (2) provide that the Railroad Commission (RRC) has exclusive original jurisdiction over energy conservation programs implemented by local distribution companies; (3) provide that a political subdivision served by a local distribution company that implements an energy conservation program approved by the RRC under the bill may not limit, restrict, or otherwise prevent an eligible customer from participating in the energy conservation program based on the type or source of energy delivered to the customer; (4) provide that a local distribution company may recover costs prudently incurred to

implement one or more energy conservation programs under certain circumstances; and (5) require the RRC to adopt rules that require local distribution company that implements an energy conservation program under the bill to submit to the railroad commission an annual report.

S.B. 771 (Parker) – Electric Municipally Owned Utilities: would provide that a municipally owned electric utility is not required to designate a transmission operator for compliance with load shedding duties and related obligations established by ERCOT if the municipally owned utility: (1) is owned by a city with a population of less than 25,000; (2) has an annual peak demand of 25 megawatts or less; and (3) operates 10 or fewer distribution feeder circuits. (Companion bill is **H.B. 1264** by **Stucky**.)

S.B. 784 (Birdwell) – Greenhouse Gas: would: (1) provide that to the extent not preempted by federal law, the state has exclusive jurisdiction over the regulation of greenhouse gas emissions in Texas; and (2) preempt a city or other political subdivision from enacting or enforcing an ordinance or other measure that directly or indirectly regulates greenhouse gas emissions. (Companion bill is **H.B. 2211** by **Landgraf**.)

S.B. 788 (Eckhardt) – Environmental Justice Commission: would, among other things: (1) provide that when Texas Commission on Environmental Quality (TCEQ) is considering a permit within three miles of an environmental justice community, that the Office of Environmental Justice (OEJ) shall provide a recommendation not later than the 7th day after the last day of the public comment period applicable to the permit to TCEQ on whether the permit should be issued and shall, in making its recommendation, consider: (a) whether the cumulative effects of pollution from the proposed permitted facility or change to an existing facility on the affected environmental justice community exceed the statewide average; and (b) any existing or anticipated vulnerabilities in the affected environmental justice community; and (2) provide that TCEQ shall consider the recommendation of the OEJ in making its determination about whether to issue a permit in addition to other factors required by law.

S.B. 816 (Alvarado) – Concrete Plants: would provide that a person may file with the Texas Commission on Environmental Quality (TCEQ) a motion to overturn as described by TCEQ rule to challenge an executive director’s final decision on an authorization to use a standard permit for certain concrete plants. (Companion bill is **H.B. 759** by **Walle**.)

S.B. 817 (Alvarado) – Concrete Plants: would provide that the Texas Commission on Environmental Quality must allow the filing of a request for a contested case hearing on an authorization to use a standard permit for a concrete plant that performs wet batching, dry batching, or central mixing at any time during the public comment period on the authorization, including during any extension of the public comment period for public meetings. (Companion bill is **H.B. 758** by **Walle**.)

S.B. 837 (Perry) – TWDB Financial Assistance: would, among other things: (1) establish the water for Texas fund (Fund); (2) provide that the Texas Water Development Board (TWDB) may make disbursements from the Fund to another fund or account administered by the board, including a fund or account established by the bill, in the amounts the board determines necessary; (3) provide that the TWDB shall ensure that a portion of the money disbursed from the Fund is used

for: (a) water infrastructure projects for rural political subdivisions and cities with a population of less than 150,000; and (b) projects to develop new water supply sources; (4) require the TWDB to adopt rules to establish a program to provide technical assistance to retail public utilities in conducting required water audits required and in applying for financial assistance from the board to mitigate the utility system's water loss; and (5) require the TWDB to submit to the legislature a water loss report every fifth year. (See **S.J.R. 43**, below.)

S.B. 845 (Blanco) – Affirmative Defenses: would repeal the following provisions providing for affirmative defenses under Clean Air Act for emissions events: (1) the Texas Commission on Environmental Quality (TCEQ) by rule may establish an affirmative defense to a TCEQ enforcement action if the emissions event meets criteria defined by TCEQ rule, which must include the following factors: (a) the frequency of the facility's emissions events; (b) the cause of the emissions event; (c) the quantity and impact on human health or the environment of the emissions event; (d) the duration of the emissions event; (e) the percentage of a facility's total annual operating hours during which emissions events occur; and (f) the need for startup, shutdown, and maintenance activities; and (2) a person may not claim an affirmative defense to a TCEQ enforcement action if the person failed to take corrective action under a corrective action plan approved by TCEQ within the time prescribed by TCEQ and an emissions event recurs because of that failure.

S.J.R. 43 (Perry) – Water Project Funding: would amend the Texas Constitution to create the water for Texas fund to be administered by the Texas Water Development Board to assist in financing water projects in this state. (See **S.B. 837**, above.)
