I. INTRODUCTION
The City of __________ is requesting proposals for a banking services contract to be awarded ______, 201__, with service to begin ______, 201__ and extend through ______, 201___. Through this contract the City intends to minimize banking costs, improve operational efficiency, and maximize investment capabilities. This Request for Proposal (RFP) represents the cash management goals, specifies all banks’ required qualifications, the banking services required, the estimated activity volumes on all accounts, the method and terms of compensation, submission instructions and the contract award provisions.

II. PROPOSAL INSTRUCTIONS AND QUALIFICATIONS
A. MINIMUM QUALIFICATIONS
To assure a close working relationship, to facilitate available services, and to support local business, the entity may give priority to those banks with full service capabilities within the City limits. Any required statement regarding equal opportunity and affirmative action should be included if required/desired. The proposal submitted will become part of the final contract.

B. PROPOSAL SUBMISSION INSTRUCTIONS
1. Proposal Format
In order to fully and equitably evaluate each bank’s ability to meet the banking services needs of the City, a standard reply format is required. Each proposal must include a response to each item in the RFP in the order given. Only proposals submitted in the prescribed format and using the exhibit forms provided will be evaluated for contract award.

2. Submission Requirements
   [Insert requirements here]

3. RFP Questions
Questions regarding this RFP or the service requested will be accepted in written form at the address below on or before 5:00 pm ______, 201__. Responses to all material questions submitted will be communicated to each prospective bidder.

   [Insert name and address of contact here]

4. Request for Proposal Amendments
Modifications or additions may be made as a result of questions submitted. Written notification of any such change will be made in writing to all known bidders.

5. Selection Criteria
Evaluation of proposals will be made on the basis of the following objectives:

- Time deposit interest rates ______ %
- Cost of Service ______ %
- Service availability ______ %
- Safety and creditworthiness of bank ______ %

6. Award of Bid and Service Initiation
The contract is to be awarded by City Council at its meeting ____________, 201__.

III. REQUIRED FINANCIAL INSTITUTION INFORMATION
All banks must provide, as part of the proposal:
- audited financial statements for the most recent fiscal year,
- a copy of the current call report, and
- a statement regarding any recent or foreseen merger or acquisition.

IV. REQUIRED BANKING SERVICES
This section lists all the services to be provided by the bank under this agreement. Attachment A lists each of these services. The bank should use this Attachment to provide the specific price for each service.

A. Consolidated Account Structure
The bank is to provide a master consolidation account and zero balance accounts from which daily balance and detail reporting is available. The City's current account structure contains the following accounts:

```
Account Title
_________________________
_________________________
_________________________
_________________________
```

B. Wire Transfer Services
The City currently generates approximately _____ incoming and _____ outgoing wires each month. A standard wire transfer agreement will be executed with the bank. This proposal should include a copy of your standard transfer procedures and wire transfer agreement. The City requires adequate security provisions and procedures. If the wire transfer requests are available on line, full information should be submitted detailing the use.

C. Automated Daily Balance Reporting
The City requires an automated PC-based reporting system for access to the closing ledger and available balances. Stipulate the time at which the access is available and describe the system to be used. Reporting should include balance and detail reporting. Samples of the reports are to be included in the proposal.

D. Sweep Account Provisions
If the City chooses, the bank will be responsible for automatically sweeping the balances in all accounts daily to an investment option (money market fund, repo, etc.). Describe the sweep options and, if a money market fund is used, provide a prospectus. The accounts will be swept to the compensating balance.
E. Reconciliation
The following accounts are to be reconciled by the bank. Deadlines and requirements for tape receipt and processing time should be included in the proposal.

Account Title

_________________________

_________________________

_________________________

F. Investment of Idle Funds and Safekeeping of City Securities
All certificates of deposit bought by the City will be bought on a competitive basis. The City has no obligation to invest its funds with or through the bank. If the bank is proposing overnight repurchase agreements, an executed Master Repurchase Agreement is required. In order to fulfill GASB III requirements for reporting, if a repurchase agreement is executed with the bank itself, the collateral must be held in the trust department of the bank in a separate account.

All securities will be handled on a delivery versus payment (DVP) basis as they are cleared into and out of the account. There will be approximately ten securities in safekeeping at any time. All clearing and safekeeping will be in the bank or its correspondent. All correspondent and safekeeping arrangement will be stipulated in the proposal.

G. Standard Disbursing Services
Standard disbursing services for all accounts are required to include the payment of all checks upon presentation.

H. Standard Deposit Services
The bank must guarantee immediate credit on all incoming wire transfers and U.S. Treasury checks upon receipt and all other checks based on the bank’s published availability schedule. The Bank should specify in their proposal their deposit requirements and commercial and retail deposit locations, including night deposit services and procedures.

I. Reporting and Account Analysis
Monthly account analysis reports must be provided by the bank on a timely basis for each account and on a total account basis. A sample account analysis format must be provided as part of the proposal. Samples of monthly statements should also be provided. The monthly statements are to be received within ten business days of the next month.

J. Account Executive
An account executive must be assigned to the account to coordinate the account services and expedite the solution of any problem. A trained and competent backup for the account executive, familiar with the account, should be assigned in the proposal. Stipulate the name and a brief biography of the account executive to be assigned to the City’s account.

K. Direct Deposit
Describe the requirements and deadlines for computer tap for ACH transactions. The proposal should indicate when funds will be available in participating banks.

L. Daylight Overdraft Provisions
Every effort will be made to eliminate daylight overdraft situations on the account. However, in case this situation does arise, the proposal should include any and all bank policies regarding daylight overdrafts charges or handling procedures.

M. Stop Payments
The proposal must include a statement on the proposed stop payment process on an automated or manual basis.

N. Collateralization of Deposits
The bank must agree to obtain and maintain acceptable collateral sufficient to cover all anticipated time and demand deposits, above the FDIC insured limit of $______. Securities used to pledge against time and demand deposits must be held in an independent third-party safekeeping institution outside the bank’s holding company. The bank will execute a tri-party safekeeping agreement with the City and the Safekeeping bank for safekeeping of these securities. Collateral will be maintained at a minimum of 102% and marked to market at least once a month. Control will be shared jointly between the bank and the entity. Substitution will be approved by the City and not unduly withheld. Substitutions of collateral will be requested in writing and new collateral will be received before the existing collateral is released. The proposal will name the safekeeping bank for collateral.

O. Additional Services
If new services become available and are provided during the period of this contract, they will be charged at the bank’s then published rate.

V. OTHER SERVICES
The City is interested in obtaining service and cost information on additional services for possible use during the contract period. These services are not required but will be evaluated in terms of availability, feasibility, service levels, service providers and cost. The City will make its determination after receipt of proposals as to whether a service will be used. If the service is accepted later in the contract period the services and charges stipulated in the proposal will be applied.

A. Lockbox Services
The City may chose to utilize lockbox services for certain revenue collections. Describe the service including the lockbox location and a full description of the service.

VI. Bank Compensation
Any net settlement on compensating balances will be made annually. If fees are chosen as the payment methodology, fees will be paid monthly after receipt of the account analysis.
ATTACHMENT A - BANKING SERVICES CHARGES

Any and all anticipated service charges must be shown on this form to be applicable under the agreement. Add additional lines as required.
